

AP European Summer Assignment

Directions: You are to pick one person from European History from the year 1450 to present and research them for a paper. Then create a profile on this person. On the second day of school (August 18th, 2017) please show up at the dinner party with a snack, costume and personality. At the dinner party you will have to role -play the character you choose. This means: dress, mannerisms, ideas, and personality.

 You must have made a decision by the last day of school as to your selected person 

- Email me at ediaz@k12.wv.us

- This assignment is due on the 1st day of class. That includes all elements, paper, performance (2ndDay), map, key terms, art pieces and outline of Chapter 12.

Requirements for the dead dinner party and paper.

1. Play the person at school (20pts) - dress and personality.
2. Have a profile which can be a poster ready for presentation at the party.
3. You are to write a 2-3 page paper, that is double spaced, 12 point font, times' new roman. The essay should address how this person contributed to European history politically/socially/religiously or economically. Please cite your sources in MLA style citations. This means you must have a works cited page and parenthetical documentation. PLEASE USE THE Purdue Owl website for proper citation.
4. <http://owl.english.purdue.edu/owl/section/2/11/>

Thematic Essay Question:

How did _____ impact European history, and what was their lasting effect socially, economically, politically, or religiously? Please give at least two examples of the positive or negative effects this person had on influencing European history in their time or for future generations.

Please do not lose this sheet.
